22. Racist Tweet

Do you think this tweet is racist?

Respondents were shown an image of Donald Trump's tweets: "I can't stand back & watch this happen to a great American City, Minneapolis. A total lack of leadership. Either the very weak Radical Left Mayor, Jacob Frey, get his act together and bring the City under control, or I will send in the National Guard & get the job done right....." "....These THUGS are dishonoring the memory of George Floyd, and I won't let that happen. Just spoke to Governor Tim Walz and told him that the Military is with him all the way. Any difficulty and we will assume control but, when the looting starts, the shooting starts. Thank you!"

29. Approve Tuesday Tweet

Do you approve or disapprove of this tweet?

Respondents were shown an image of Donald Trump's tweets: "The opening of a Cold Case against Psycho Joe Scarborough was not a Donald Trump original thought, this has been going on for years, long before I joined the chorus. In 2016 when Joe & his wacky future ex-wife, Mika, would endlessly interview me, I would always be thinking...." "....about whether or not Joe could have done such a horrible thing? Maybe or maybe not, but I find Joe to be a total Nut Job, and I knew him well, far better than most. So many unanswered & obvious questions, but I won't bring them up now! Law enforcement eventually will?"
