

* The results for the question, "If an election for U.S. Congress were being held today, who would you vote for in the district where you live?" that were previously included in this document are no longer being reported after YouGov discovered a programming error that resulted in some registered voters not being asked the question. Since the people asked were not a representative sample of all registered voters, the data does not meet YouGov's standards and has been removed.

List of Tables

1. Direction of Country	2
2. State of the Economy	4

The Economist/YouGov Poll
April 30 - May 3, 2022 - 1500 U.S. Adult Citizens

Sponsorship	<i>The Economist</i>
Fieldwork	YouGov
Interviewing Dates	April 30 - May 3, 2022
Target population	U.S. Citizens, age 18 and over
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, and region) was selected from the 2018 American Community Study. Voter registration was imputed from the November 2018 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted based on gender, age, race, education, and both 2016 and 2020 Presidential votes (or non-votes). The weights range from 0.247 to 4.654, with a mean of one and a standard deviation of 0.57.
Number of respondents	1500 1340 (Registered voters)
Margin of error	± 2.9% (adjusted for weighting) ± 3% (Registered voters)
Survey mode	Web-based interviews
Questions not reported	54 questions not reported.
