As you may know, the United States will hold national elections in November 2012 to decide who will be President of the United States for the following four years. Most American voters will choose to vote for either Barack Obama, the current US President, or Mitt Romney, the US Republican presidential candidate. What impact, if at all, would the election of Mitt Romney as United States President have on your view towards the United States?

The election of Mitt Romney as United States President would make me less favourable towards the United States	5	7	3	5	5	7	3	5	5
The election of Mitt Romney as United States President would have no impact on my feelings towards the United States	38	41	34	35	35	31	38	40	45

Some countries have an economy in which all large industries are owned by the government. Other countries have an economy in which all large industries are owned by private companies. And some countries are in between, with large industries owned by a mixture of the government and private companies. How would you describe your country's economy? Please choose a number from 1 to 7 on the scale below, where 1 means 'an economy in which all large industries are owned by the government' and 7 means 'an economy in which all large industries are owned by private companies'.

an economy in which all the large industries are owned by the government | an economy in which all the large industries are owned by private companies
