GB18 Sample: 3rd - 6th April 2020

Total	Gender		Region							
	Male	Female	North	Midlands	East	London	South	England (NET)	Wales	Scotland

The 2019 coronavirus, otherwise known as COVID-19, is an infectious disease first identified in the city of Wuhan, capital of Hubei province in China. Infections have since been reported around the world. Symptoms include fever, coughing and breathing difficulties. The British government has asked all businesses that do not provide essential services to close their workplaces for the duration of the coronavirus (COVID-19) outbreak in the UK. Do you consider each of the following businesses to provide essential or non-essential services? (Please select one option on each row)
