Do you think that social media websites (e.g. Facebook, Twitter etc.) should or should not have to alert the security services if its users are suspected of terrorist activity or intent?

Should have to alert security services	<b>80</b>	90	80	78	90	88	78	78	79	81	77	69	88	89	81	79
Should not have to alert security services	<b>9</b>	5	10	16	9	5	10	13	11	7	9	16	5	3	10	8
Don't know	<b>11</b>	5	9	5	1	8	12	10	10	12	13	15	7	7	9	13

It has been proposed that communications companies (e.g. phone and internet companies) should be required to retain everyone's data - internet browsing history, emails, voice calls, social media interactions, and mobile messaging – for 12 months. Generally speaking, do you support or oppose this?

Generally support - it is vital to help the security services protect Britain	<b>45</b>	57	46	30	63	55	44	32	48	42	27	38	52	57	49	40
Generally oppose - this goes against the principle of civil liberty	<b>41</b>	25	44	62	30	26	44	59	39	43	40	47	40	33	40	42
Don't know	<b>14</b>	18	10	8	6	19	11	9	13	15	33	15	8	10	11	18
