

Globalism

Fieldwork Dates: 28th February to 26th March 2019

Combined all countries (excluding Nigeria, Saudi, Egypt, China)	Combined all countries (excluding Nigeria, Saudi, Egypt, China) Populist cohort
TOTAL	TOTAL

The word 'globalisation' is sometimes used to describe the trend towards a global economy and the way countries have developed closer interaction with each other, making it easier for companies and people to live, work, trade and travel overseas. From what you know, do you think this process has been generally good or bad for each of the following? (Please select one option on each row)

Glob_gen_a. country surveyed's economy

	21295	4666
Unweighted base	21295	4666
Base: All country adults	21295	4542
Very good	12%	15%
Fairly good	29%	22%
Neither good nor bad	23%	18%
Fairly bad	19%	22%
Very bad	9%	18%
Don't know	8%	3%
Net: Good	42%	38%
Net: Bad	28%	41%

Glob_gen_c. Your own standard of living

	21295	4666
Unweighted base	21295	4666
Base: All country adults	21295	4542
Very good	11%	14%
Fairly good	30%	26%
Neither good nor bad	36%	32%
Fairly bad	12%	16%
Very bad	5%	9%
Don't know	7%	3%
Net: Good	41%	40%
Net: Bad	16%	25%

Glob_gen_e. The cultural life of country surveyed

	21295	4666
Unweighted base	21295	4666
Base: All country adults	21295	4542
Very good	16%	19%
Fairly good	32%	27%
Neither good nor bad	25%	21%
Fairly bad	14%	17%
Very bad	7%	12%
Don't know	7%	3%
Net: Good	48%	46%
Net: Bad	20%	30%

Glob_political_activity. Thinking about politics, which if any of the following have you done in the past 5 years? (Please tick all that apply)

	21295	4666
Unweighted base	21295	4666
Base: All country adults	21295	4542
Voted in a national election	65%	70%
Voted in a local election	63%	70%
Put up a political poster	6%	7%
Shared or posted content to support a political party or candidate on social media	18%	25%
Canvassed or campaigned for a political party on the street or for an event	6%	7%
Canvassed or campaigned for a political party on the telephone	3%	4%
Officially registered as a supporter or member of a political party	10%	13%
None of these	14%	14%
Don't know	5%	1%

Thinking about the role of the government in regulating companies, do you think the following types of companies should be regulated by the government more than they are now, or less than they are now, or is the current amount of government regulation about right? (Please select one option on each row)

Glob_techreg_a. Technology and social media companies

	21295	4666
Unweighted base	21295	4666
Base: All country adults	21295	4542
Should be regulated more than they are now	51%	62%
Should be regulated less than they are now	16%	15%
Current amount of regulation is about right	20%	17%
Don't know	13%	6%

Glob_techreg_c. Banks and other financial institutions

	21295	4666
Unweighted base	21295	4666
Base: All country adults	21295	4542
Should be regulated more than they are now	57%	72%
Should be regulated less than they are now	12%	10%
Current amount of regulation is about right	19%	13%
Don't know	13%	5%

Glob_techreg_d. Pharmaceutical companies

	21295	4666
Unweighted base	21295	4666
Base: All country adults	21295	4542
Should be regulated more than they are now	56%	74%
Should be regulated less than they are now	12%	9%
Current amount of regulation is about right	19%	11%
Don't know	13%	6%

Glob_Westbrand_Econ. Thinking about different types of political system, which one of the following do you think is generally best at producing a strong economy?

	21295	4666
Unweighted base	21295	4666
Base: All country adults	21295	4542
An electoral democracy, where decisions are made by national leaders who are chosen by the general public	27%	25%
A direct democracy, where decisions are made by the general public voting directly on issues	24%	36%
A non-democratic system, where decisions are made by national leaders who are not chosen by the general public	5%	3%
It depends. One type of system is not necessarily better than the others at producing a strong economy	25%	27%
Don't know	16%	8%
None of these	3%	2%

Glob_Westbrand_Polstab. Thinking about different types of political system, which one of the following do you think is generally best at producing political stability?

	20294	4422
Unweighted base	20294	4422
Base: All country adults	20294	4352
An electoral democracy, where decisions are made by national leaders who are chosen by the general public	30%	23%
A direct democracy, where decisions are made by the general public voting directly on issues	27%	43%
A non-democratic system, where decisions are made by national leaders who are not chosen by the general public	5%	4%
It depends. One type of system is not necessarily better than the others at producing political stability	20%	21%
Don't know	15%	8%
None of these	3%	1%

Glob_Westbrand_happsoc. Thinking about different types of political system, which one of the following do you think is generally best at producing a happy society?

	20294	4422
Unweighted base	20294	4422
Base: All country adults	20294	4352
An electoral democracy, where decisions are made by national leaders who are chosen by the general public	25%	18%
A direct democracy, where decisions are made by the general public voting directly on issues	30%	46%
A non-democratic system, where decisions are made by national leaders who are not chosen by the general public	4%	4%
It depends. One type of system is not necessarily better than the others at producing a happy society	23%	23%
Don't know	14%	7%
None of these	3%	2%
