

Total	In the Referendum in 2016 on whether Britain should remain in or leave the European Union, which way did you vote, or did you not vote?	
	I voted to Remain	I voted to Leave

Glob_trade_gen. Thinking generally about international trade, do you think the benefits outweigh the costs for the UK, such as making it easier for domestic companies to sell their products and services overseas? Or do you think the costs outweigh the benefits for the UK, such as making it easier for foreign companies to sell their products and services here?
