Globalism 2020
Fieldwork Dates: 30th July - 11th August 2020

The word 'globalisation' is sometimes used to describe the trend towards a global economy and the way countries have developed closer interaction with each other, making it easier for companies and people to live, work, trade and travel overseas.From what you know, do you think this process has been generally good or bad for each of the following? (Please select one option on each row)
