And thinking about the party you intend to vote for at the coming general election, if the following proposals were introduced, do you think they would help that party more than it hindered it (e.g. by bringing in more people who might not otherwise have voted for them, or at all) or hinder that party more than it helped (e.g. by bringing in a greater number of voters to opposing parties than it does to them)?

[Asked only to those who said they would vote in the July 4th 2024 UK general election; n=1721]

**Changing the day on which general elections are held to a Saturday or Sunday**
