There are some resources and goods that governments think are strategically important for the country to make at home. There are others where governments think it is fine for the country to import, if imports bring down prices or are better quality.

For each of the following, please say if you think it is important we make it in Canada, or whether it is acceptable to rely on imports.

Steel

This is something where it is more important we can make here in Canada	62	60	61	58	59	63	66	60	60	63	65	60
This is something where it is acceptable to rely upon imports from abroad if they are cheaper or better	20	22	27	28	22	19	13	22	28	19	13	22
Don't know	18	18	11	13	19	18	22	18	13	18	22	18
