There are some resources and goods that governments think are strategically important for the country to make at home. There are others where governments think it is fine for the country to import, if imports bring down prices or are better quality.

For each of the following, please say if you think it is important we make it in the UK, or whether it is acceptable to rely on imports.

Generally speaking, which of the following best reflects your view?

It is more important that we use economic sanctions against countries who have behaved aggressively or committed war crimes, even if that hurts our economy or makes things more expensive	56	54	60	63	52	58	47	53	59	47
It is more important that we do what it best for our own economy and what keeps costs down, even if that means continuing to trade with countries that have behaved aggressively or committed war crimes	17	25	17	18	20	24	16	19	23	16
Neither	12	11	13	8	11	8	13	10	8	12
