YouGov Survey: The Economy: Issues & Policies
September 18 - 20, 2024 - 1123 U.S. adult citizens

Interviewing Dates	September 18 - 20, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.596, with a mean of one and a standard deviation of 0.921.
Number of respondents	1123
Margin of error	± 4% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	84 questions not reported.

YouGov Survey: Immigration: Issues & Policies
September 19 - 22, 2024 - 1130 U.S. adult citizens

Interviewing Dates	September 19 - 22, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.571, with a mean of one and a standard deviation of 0.938.
Number of respondents	1130
Margin of error	$\pm$ 4% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	83 questions not reported.

YouGov

Interviewing Dates	September 20 - 23, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.623, with a mean of one and a standard deviation of 0.863.
Number of respondents	1110
Margin of error	$\pm$ 3.9% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	83 questions not reported.

YouGov Survey: Crime: Issues & Policies
September 25 - 27, 2024 - 1122 U.S. adult citizens

Interviewing Dates	September 25 - 27, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.672, with a mean of one and a standard deviation of 1.122.
Number of respondents	1122
Margin of error	± 4.4% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	83 questions not reported.

YouGov Survey: Environment and Energy: Issues & Policies
September 26 - 29, 2024 - 1145 U.S. adult citizens

Interviewing Dates	September 26 - 29, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 5.643, with a mean of one and a standard deviation of 0.959.
Number of respondents	1145
Margin of error	± 4% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	83 questions not reported.

YouGov Survey: Foreign Policy: Issues & Policies
September 27 - 30, 2024 - 1116 U.S. adult citizens

YouGov

Interviewing Dates	September 27 - 30, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.066, with a mean of one and a standard deviation of 0.9.
Number of respondents	1116
Margin of error	± 4% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	91 questions not reported.

YouGov Survey: Social Issues: Issues & Policies

YouGov

Interviewing Dates	September 30 - October 2, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.591, with a mean of one and a standard deviation of 0.805.
Number of respondents	1134
Margin of error	$\pm$ 3.7% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	83 questions not reported.

YouGov Survey: Social Issues: Issues & Policies
September 30 - October 2, 2024 - 1134 U.S. adult citizens

Interviewing Dates	September 30 - October 2, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.591, with a mean of one and a standard deviation of 0.805.

YouGov Survey: Health Care: Issues & Policies
October 1 - 3, 2024 - 1145 U.S. adult citizens

Interviewing Dates	October 1 - 3, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.052 to 6.606, with a mean of one and a standard deviation of 0.924.
Number of respondents	1145
Margin of error	± 3.9% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	83 questions not reported.
