Defunding the police	10%	14%	16%	44%	16%

8. Racial profiling is the practice of basing the assessment of a person's likelihood to have committed a crime on their race or ethnicity. Do you think it is acceptable or unacceptable for law enforcement to use racial profiling when deciding...?

Respondents were asked about a random sample of 4 of the 8 situations

	Acceptable	Unacceptable	Not sure
Whom to investigate for terrorism	37%	46%	17%
Whom to monitor in high-crime neighborhoods	36%	49%	15%
Whom to investigate for suspected violations of immigration laws	33%	50%	18%
Which passengers to screen at airport security	24%	59%	17%
Which people to include in facial recognition databases	24%	58%	18%
Which shoppers to watch more closely in a store	23%	59%	18%
Which pedestrians to stop and question in public	18%	64%	18%
Which drivers to pull over for traffic violations	15%	72%	13%

9. How often do you think law enforcement agencies across the U.S. use racial profiling?

Often	43%
Sometimes	35%
Rarely	9%
Never	2%
Not sure	11%

10. Have your personal experiences with law enforcement been...?

Mostly good	35%
Mixed	26%
Mostly bad	8%
I've had no experience with law enforcement	25%
Not sure	5%

11. Thinking about your own experiences with law enforcement, which of the following, if any, have you experienced? Please select all that apply.

I have reported a crime to law enforcement	33%
I have been assisted by law enforcement after I experienced a crime	20%
I have seen law enforcement assist a friend or family member after they experienced a crime	19%
I have been detained or arrested by law enforcement	19%
I have seen law enforcement assist a stranger after they experienced a crime	19%
I have been stopped and searched by law enforcement	18%
I have felt threatened by a law enforcement officer	13%
I have been verbally insulted by law enforcement	12%
I have experienced prejudice from law enforcement	12%
I have been discriminated against by law enforcement	9%
I have been physically harmed by law enforcement	3%
None of the above	38%
Don't know	6%

12. Do you often feel that other people are suspicious of you in public spaces because of your race or ethnicity?

Yes	14%
No	73%
Not sure	13%

13. Have you ever had the police called on you because of your race or ethnicity?

Yes, more than once	5%
Yes, once	4%
No, never	83%
Not sure	8%

14. Have you ever been reported to the police when you were not doing anything wrong?

Yes, more than once	7%
Yes, once	13%
No, never	70%
Not sure	10%

15. Have the police ever searched your home or car without having a warrant?

Yes, more than once	6%
Yes, once	9%
No, never	79%
Not sure	6%

16. Do you personally know anyone who has ever worked in law enforcement? Select all that apply.

Yes, a friend	40%
Yes, a family member	25%
Yes, me	3%
No	43%

17. True crime is a nonfiction genre examining real-world crimes and the people associated with and affected by them. Would you say that true crime is...?

Your favorite genre	11%
A genre you enjoy but not your favorite	36%
A genre you don't enjoy but not your least favorite	18%
Your least favorite genre	11%
Not sure	24%

18. Do you ever consume true-crime content?

Yes	55%
No	45%

19. Overall, would you say that true-crime content has a positive or a negative effect on society?

Very positive effect	6%
Somewhat positive effect	15%
Neither positive nor negative effect	39%
Somewhat negative effect	10%
Very negative effect	4%
Not sure	25%

YouGov Survey: Law Enforcement

July 27 - August 6, 2026 - 2,200 U.S. adult citizens

Interviewing Dates	July 27 - 30, 2026 August 4 - 6, 2026
Target population	U.S. citizens, aged 18 and over
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, U.S. region, 2024 presidential vote, 2020 election turnout and presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. 2024 presidential vote, at time of weighting was estimated to be 48% Harris and 50% Trump. Baseline party identification is the respondent's most recent answer given around November 8, 2024, and is weighted to the estimated distribution at that time (31% Democratic, 33% Republican). The weights range from 0.051 to 6.081, with a mean of one and a standard deviation of 0.832.
Number of respondents	2,200
Margin of error	± 2.7 points (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	60 questions not reported.

YouGov Survey: Law Enforcement

July 27 - August 6, 2026 - 2,200 U.S. adult citizens

Interviewing Dates	July 27 - 30, 2026 August 4 - 6, 2026
Target population	U.S. citizens, aged 18 and over
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, U.S. region, 2024 presidential vote, 2020 election turnout and presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. 2024 presidential vote, at time of weighting was estimated to be 48% Harris and 50% Trump. Baseline party identification is the respondent's most recent answer given around November 8, 2024, and is weighted to the estimated distribution at that time (31% Democratic, 33% Republican). The weights range from 0.051 to 6.081, with a mean of one and a standard deviation of 0.832.
Number of respondents	2,200
