Some people support a change in the British voting system to proportional representation, where the number of MPs a party wins more closely reflects the share of the vote they receive. Other people support retaining our present voting system, First Past the Post, which is more likely to give one party an overall majority in the House of Commons and avoid a hung Parliament. Which voting system would you prefer?

Unweighted base	1761	598	445	159	732	615	818	943	172	698	427	464	203	604	283	426	151	94	550	519	339	210	143
