More specifically, in England university education is currently funded through a system of tuition fees of up to £9,250 a year. Students receive loans to cover the fees at the time, which they have to start paying back when they earn £25,000 a year. Any money still outstanding after thirty years is written off. Do you think this is a fair or unfair way of funding university education?

Unweighted base	1772	607	427	168	717	660	757	1015	185	674	438	475	184	603	300	431	156	98	548	533	307	198

Thinking about how British Universities compare to Universities in other European countries, do you think...?

Unweighted base	1772	186
Base	1772	193
British Universities provide better quality education than in other European countries	17%	14%
British Universities provide about the same quality of education as in other European countries	34%	23%
British Universities provide worse quality education than in other European countries	12%	15%
Don't know	37%	48%

Fieldwork Dates: 15th - 17th October 2022

Sample size: 1772 GB adults

Total	E

Generally speaking, how do you think the cost of university education should be funded?

Unweighted base	1772	186
Base	1772	193
It should be paid for by everybody, through general taxes like income tax, corporation tax or VAT	30%	26%
It should be paid for by the people who go to university, though either tuition fees or a tax paid only by graduates	47%	39%
Not sure	23%	35%

More specifically, in England university education is currently funded through a system of tuition fees of up to £9,250 a year. Students receive loans to cover the fees at the time, which they have to start paying back when they earn £25,000 a year. Any money still outstanding after thirty years is written off.Do you think this is a fair or unfair way of funding university education?

Unweighted base	1772	186
Base	1772	193
Fair	45%	39%
Unfair	37%	34%
Don't know	18%	27%

Fieldwork Dates: 15th - 17th October 2022

Sample size: 1772 GB adults

Total	E

In England universities can currently charge tuition fees of up to £9,250 a year. Do you think this is or is not value for money?

Unweighted base	1772	186
Base	1772	193
Is value for money - the standard of education and the increased wages graduates earn mean it is worth the money	25%	28%
Is not value for money - the standard of education and the wages graduates earn are not enough to warrant the cost	52%	39%
Don't know	23%	33%

Do you think too many children in Britain go to university, not enough go to university or the number is about right?

Unweighted base	1772	186
