June 4 - 7, 2026 - 1,078 U.S. adult citizens

**19B. Agreement With Statements on Patriotism — Freedom is rare. Stretching back beyond the horizon of recorded history, most humans who have ever lived have lived at the mercy of lords and masters and kings. But we are a nation founded on the rejection of kingdom. We're a nation founded on the radical idea that all human beings have a natural right to liberty.**
