

YouGov Survey: Religion and Marriage

Sample 1090 U.S. adult citizens
Conducted November 13 - 16, 2025
Margin of Error $\pm 3.8\%$

1. Have you ever...?

	Yes	No	Not sure
Been in a relationship with someone who had different religious beliefs than you	46%	43%	10%
Been in a relationship with someone who asked you to convert to a different religion	8%	89%	3%
Persuaded someone you were in a relationship with to convert to a different religion	3%	95%	2%
Asked someone you were in a relationship with to convert to a different religion	3%	95%	2%
Converted to another religion after someone you were in a relationship with asked you to	3%	95%	2%

2. When two people who follow different religions get married, do you think it's generally better if...?

One partner converts to the other's religion	20%
Each partner continues following a different religion	41%
Not sure	39%

3. When two people who follow different religions have a child together, do you think it's generally best if they...?

Choose one religion to raise the child in	20%
Raise the child in both religions	23%
Let the child decide which religion to follow	35%
Not raise the child in any religion	8%
Not sure	15%

4. If you fell in love with someone who had different religious beliefs and they asked you to convert to their religion, do you think you would convert?

Yes	6%
No	62%
Not sure	32%

5. If you fell in love with someone who had different religious beliefs, do you think you would want them to start following your religious beliefs?

Yes	20%
No	52%
Not sure	28%

6. If you fell in love with someone who had different religious beliefs, do you think you would ask them to convert to your religion?

Yes	17%
No	64%
Not sure	20%

7. Do you think it is acceptable or unacceptable for someone to want their romantic partner to convert to their religion?

Always acceptable	8%
Usually acceptable	31%
Usually unacceptable	19%
Always unacceptable	13%
Not sure	30%

8. Do you think it is acceptable or unacceptable for someone to ask their romantic partner to convert to their religion?

Always acceptable	7%
Usually acceptable	28%
Usually unacceptable	22%
Always unacceptable	15%
Not sure	28%

9. If you were going to have a child with someone who had different religious beliefs, do you think you would be most likely to...?

Raise the child with your religious beliefs	16%
Raise the child with your partner's religious beliefs	4%
Raise the child with both your and your partner's religious beliefs	42%
Not raise the child with any religious beliefs	15%
Not sure	23%

Yes	50%
No	27%
Not sure	23%

11. If you were dating someone who followed a different religion from yours and did not want to convert, would you consider marrying them?

Yes	45%
No	26%
Not sure	29%

12. Compared to romantic relationships where both partners share the same religious beliefs, do you think relationships where each partner has different religious beliefs are...?

Much more likely to be successful	4%
Somewhat more likely to be successful	4%
About equally likely to be successful	40%
Somewhat less likely to be successful	18%
Much less likely to be successful	12%
Not sure	23%

13. Do you know anyone who is married and who follows a different religion than their spouse? Select all that apply.

Yes, me	7%
Yes, a family member	13%
Yes, a friend	21%
Yes, an acquaintance	18%
No	41%
Not sure	15%

14. Of the people you know who are married and follow different religions, do any of them have children together? Select all that apply.

Yes, me	4%
Yes, a family member	11%
Yes, a friend	15%
Yes, an acquaintance	14%
No	49%
Not sure	17%

15. Of the parents you know who follow a different religion than their spouse, how have they raised their children? Select all that apply.

Chose one religion to raise their children in	9%
Raised their children in both religions	12%
Let their children decide which religion to follow	11%
Not raised the child in any religion	4%
Raised different children in different religions	2%
Not sure	4%
Not applicable - does not know any parents who follow a different religion than their spouse	49%
Not applicable - not sure if they know any parents who follow a different religion than their spouse	17%

YouGov Survey: Religion and Marriage

Interviewing Dates	November 13 - 16, 2025
Target population	U.S. Citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2024 presidential vote, 2020 election turnout and presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. 2024 presidential vote, at time of weighting was estimated to be 48% Harris and 50% Trump. Baseline party identification is the respondent's most recent answer given around November 8, 2024, and is weighted to the estimated distribution at that time (31% Democratic, 32% Republican). The weights range from 0.051 to 5.03, with a mean of one and a standard deviation of 0.791.
Number of respondents	1090
Margin of error	± 3.8% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	86 questions not reported.

YouGov Survey: Religion and Marriage

November 13 - 16, 2025 - 1090 U.S. adult citizens

Interviewing Dates	November 13 - 16, 2025
Target population	U.S. Citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, 2024 presidential vote, 2020 election turnout and presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. 2024 presidential vote, at time of weighting was estimated to be 48% Harris and 50% Trump. Baseline party identification is the respondent's most recent answer given around November 8, 2024, and is weighted to the estimated distribution at that time (31% Democratic, 32% Republican). The weights range from 0.051 to 5.03, with a mean of one and a standard deviation of 0.791.
Number of respondents	1090
Margin of error	± 3.8% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	86 questions not reported.
