Some countries have an economy in which all large industries are owned by the government. Other countries have an economy in which all large industries are owned by private companies. And some countries are in between, with large industries owned by a mixture of the government and private companies. How would you describe your country's economy? Please choose a number from 1 to 7 on the scale below, where 1 means 'an economy in which all large industries are owned by the government' and 7 means 'an economy in which all large industries are owned by private companies'.

an economy in which all the large industries are owned by the government | an economy in which all the large industries are owned by private companies

In some countries, the political system is described as completely free. In other countries, the political system is described as not at all free. And some countries are in between. How would you describe the political system in your country? Please choose a number from 1 to 7 on the scale below, where 1 means 'the political system in my country is not at all free' and 7 means 'the political system in my country is completely free'.

the political system in my country is not at all free | the political system in my country is completely free
