

1. How serious, if at all, of a problem is the following in your community?

	Very serious problem	Somewhat serious problem	Not a very serious problem	Not a problem at all	Not sure
Dangerous driving	29%	35%	25%	6%	5%
Speeding	24%	39%	28%	6%	4%
Crime	22%	35%	32%	6%	5%
Government surveillance	21%	25%	24%	13%	17%
Police misconduct	20%	23%	29%	17%	11%
Illegal immigration	18%	20%	29%	22%	12%

2. How often, if ever, do you drive faster than the speed limit?

Often	12%
Sometimes	29%
Rarely	29%
Never	14%
I do not drive	15%
Not sure	2%

3. How often, if ever, do you think your movements outside your home are recorded by cameras?

Often	34%
Sometimes	37%
Rarely	14%
Never	7%
Not sure	9%

4. In a public place, do you think each of the following should or should not be allowed without your permission?

	Should be allowed	Should not be allowed	Not sure
Being recorded by a store's camera	75%	13%	12%
Being recorded by a neighbor's doorbell camera	56%	23%	21%
Having your car's location recorded by a police camera	34%	47%	20%

5. Which do you think is more important, protecting people's privacy or giving law enforcement more tools to address crime?

Protecting people's privacy	52%
Giving law enforcement more tools to address crime	34%
Not sure	15%

6. Would you give up more personal privacy if it resulted in less crime?

Yes	36%
No	35%
Not sure	29%

7. In the past 25 years, do you think the amount of government surveillance in the U.S. has... ?

Increased a lot	71%
Increased a little	15%
Stayed the same	6%
Decreased a little	1%
Decreased a lot	1%
Not sure	6%

8. Do you think the amount of government surveillance in the U.S. is... ?

Too much	48%
About the right amount	31%
Too little	5%
Not sure	16%

9. License plate cameras photograph each passing vehicle along a road and store its license plate, its location, and the time in a database that law enforcement can search. How much, if anything, had you heard about license plate cameras before this survey?

A lot	31%
A little	49%
Nothing at all	19%

10. Would license plate cameras in your community make you feel...?

Safer	27%
Less safe	18%
Neither safer nor less safe	43%
Not sure	11%

11. As far as you know, have license plate cameras been installed in your community?

Yes	35%
No	18%
Not sure	47%

12. Would you support or oppose license plate cameras being installed in your community?

Support	42%
Oppose	41%
Strongly support	15%
Somewhat support	27%
Somewhat oppose	16%
Strongly oppose	25%
Not sure	18%

13. Would you support or oppose a license plate camera being installed on the street where you live?

Support	40%
Oppose	44%
Strongly support	17%
Somewhat support	23%
Somewhat oppose	12%
Strongly oppose	32%
Not sure	16%

14. Do you think license plate cameras reduce crime in the places where they are installed?

Yes	30%
No	38%
Not sure	32%

15. Do you think police should or should not need a warrant from a judge to access data from license plate cameras?

Should need a warrant	66%
Should not need a warrant	20%
Not sure	14%

16. Do you think companies that operate license plate cameras should be allowed to charge fees for police to access their data?

Should	28%
Should not	41%
Not sure	32%

17. Do you think police should or should not be allowed to use data from license plate cameras for each of the following?

	Should be allowed	Should not be allowed	Not sure
Finding a stolen car	84%	9%	7%
Finding a missing person	84%	7%	9%
Investigating a violent crime	83%	7%	9%

continued on the next page ...

continued from previous page

Identifying a person who trafficked illegal drugs into the U.S.	76%	14%	11%
Identifying a person who sold illegal drugs	68%	21%	11%
Enforcing the speed limit	48%	36%	16%
Enforcing immigration laws	46%	40%	14%
Identifying a person who used illegal drugs	43%	41%	15%
Collecting an unpaid parking ticket	30%	53%	17%
Identifying a person who attended a protest	20%	68%	12%
Checking where a person has been for use in a divorce case	17%	66%	17%

18. Do you think police should or should not be allowed to use data from license plate cameras to track the location of...?

	Should be allowed	Should not be allowed	Not sure
People who have been charged with a crime	60%	22%	18%
People who are in the U.S. illegally	51%	33%	16%
People who are on parole	50%	30%	20%
People who are suspected of committing a crime but who have not been charged	38%	40%	22%
Non-U.S. citizens who are temporarily authorized to live in the U.S.	29%	55%	16%
Non-U.S. citizens who are permanently authorized to live in the U.S.	23%	61%	15%
People who have been released from prison and who are no longer on parole	21%	64%	15%
People who attend political protests	17%	70%	13%
Pregnant women in states where abortion is restricted	13%	74%	12%

19. Do you think local police departments should or should not be allowed to share data from license plate cameras with each of the following?

	Should be allowed	Should not be allowed	Not sure
The Federal Bureau of Investigation (FBI)	66%	19%	15%
Other police departments in the same state	62%	21%	17%
Police departments in other states	56%	25%	19%
Immigration and Customs Enforcement (ICE)	43%	43%	13%
Private companies	12%	71%	16%

20. How often do you think police officers use data from license plate cameras to...?

	Often	Sometimes	Rarely	Never	Not sure
Solve crimes	26%	40%	16%	4%	14%
Stalk or harass private citizens	20%	24%	23%	14%	19%
Prevent crimes	16%	34%	23%	10%	17%
Build criminal cases against innocent people	16%	32%	20%	9%	23%

Interviewing Dates	August 18 - 21, 2026
Target population	U.S. citizens, aged 18 and over
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, U.S. region, 2024 presidential vote, 2020 election turnout and presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. 2024 presidential vote, at time of weighting was estimated to be 48% Harris and 50% Trump. Baseline party identification is the respondent's most recent answer given around November 8, 2024, and is weighted to the estimated distribution at that time (31% Democratic, 33% Republican). The weights range from 0.052 to 5.124, with a mean of one and a standard deviation of 0.892.
Number of respondents	1,082
Margin of error	± 4 points (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	60 questions not reported.

YouGov Survey: Security Cameras

August 18 - 21, 2026 - 1,082 U.S. adult citizens

Interviewing Dates	August 18 - 21, 2026
Target population	U.S. citizens, aged 18 and over
Sampling method	Respondents were selected from YouGov's opt-in panel to be representative of adult U.S. citizens.
Weighting	The sample was weighted according to gender, age, race, education, U.S. region, 2024 presidential vote, 2020 election turnout and presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. 2024 presidential vote, at time of weighting was estimated to be 48% Harris and 50% Trump. Baseline party identification is the respondent's most recent answer given around November 8, 2024, and is weighted to the estimated distribution at that time (31% Democratic, 33% Republican). The weights range from 0.052 to 5.124, with a mean of one and a standard deviation of 0.892.
Number of respondents	1,082
Margin of error	± 4 points (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	61 questions not reported.
