Looking again at the sort of Brexit Theresa May has said she will try to negotiate...

Leaving the single market and negotiating a new free trade deal
Leaving the customs union and negotiating a new customs agreement
Controls on immigration from EU countries
Open border with Ireland
Guaranteeing the rights of EU citizens already in Britain and UK citizens already living in Europe
Continuing to work with the EU on security and law enforcement

If Britain does secure the sort of Brexit deal that Theresa May has suggested do you think it would be good or bad for Britain?

Theresa May suggested that Britain would walk away from negotiations if other European Union countries are not prepared to offer a good deal. This would mean Britain leaving the EU without a new trade deal and tariffs being applies to imports and exports between Britain and the EU.
