She is getting a good Brexit deal	3	3	5	1	2	2	4	3	3	1	3	3	3	3	3	2	5	2	2	0

Thinking about the possible outcomes of the Brexit negotiations, which of the following would you prefer to see happen...

If you had to choose between Britain leaving the EU without a deal, or there being a new referendum on whether Britain leaves the EU or not?

If you had to choose between Britain leaving the EU with the sort of deal that Theresa May has set out, or there being a new referendum on whether Britain leaves the EU or not?

I would prefer Britain to leave the EU with the sort of deal that Theresa May has set out

I would prefer there to be a new referendum on whether Britain leaves the EU or not

Imagine that there was a new referendum, and that this time a majority of people voted for Britain to remain a member of the European Union. What do you think would happen?

People would accept the result and the issue would be settled for the foreseeable future

People would accept the result for now, but people would still campaign for a further referendum on whether Britain should leave

People would not accept the result, and it would risk civil unrest
