Dislike it	
Hate it	
Not sure	3%

Interviewing Dates November 4 - 9, 2025

Target population U.S. citizens, aged 18 and over

Sampling method Respondents were selected from YouGov's opt-in panel to be

representative of adult U.S. citizens.

Weighting The sample was weighted according to gender, age, race, education,

> U.S. region, 2024 presidential vote, 2020 election turnout and presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. 2024 presidential vote, at time of weighting was estimated to be 48% Harris and 50% Trump. Baseline party identification is the respondent's most recent answer given around November 8, 2024, and is weighted to the estimated distribution at that time (31% Democratic, 32% Republican). The weights range from 0.051 to 5.541, with a mean of one and a standard

deviation of 0.796.

Number of respondents 1.114

Margin of error \pm 3.8 points (adjusted for weighting)

Survey mode Web-based interviews

Questions not reported 70 questions not reported.

1. NASA Favorability

Do you have a favorable or unfavorable opinion of the National Aeronautics and Space Administration (NASA)?

YouGov Survey: UFOs and Space Exploration

November 4 - 9, 2025 - 1,114 U.S. adult citizens

Interviewing Dates November 4 - 9, 2025

Target population U.S. citizens, aged 18 and over

Sampling method Respondents were selected from YouGov's opt-in panel to be

representative of adult U.S. citizens.

Weighting The sample was weighted according to gender, age, race, education,

> U.S. region, 2024 presidential vote, 2020 election turnout and presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. 2024 presidential vote, at time of weighting was estimated to be 48% Harris and 50% Trump. Baseline party identification is the respondent's most recent answer given around November 8, 2024, and is weighted to the estimated distribution at that time (31% Democratic, 32% Republican). The weights range from 0.051 to 5.541, with a mean of one and a standard

deviation of 0.796.

Number of respondents 1,114

 \pm 3.8 points (adjusted for weighting) Margin of error

Survey mode Web-based interviews
