In the following question, by 'ancient trees', we refer to trees that have cultural, or conservational value due to their old age, size or condition.

To what extent, if at all, would you support or oppose the following protections being introduced for ancient trees?  
Granting some of the oldest, largest, and most wildlife-rich ancient trees legally protected heritage status

|                      |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |           |
