

# YouGov / London Communications Survey Results

Fieldwork - 12-23rd February

Sample Size - 206 London Councillors

Total

The Airport Commission has shortlisted three options for increasing aviation capacity in the South East. Which of the following, if any, do you think represents the best option?

Unweighted base	206
Base	206
Second runway at Gatwick	40%
Third runway at Heathrow	21%
Extended runway at Heathrow	13%
I don't support any of these options	18%
Not sure	8%
