The courts are currently considering an appeal against the eviction of the "Democracy Village" - a protest camp that has been set up in Parliament Square since early May. In the past there have also been controversial attempts to evict Brian Haw, an anti-war protester who has been living on Parliament Square since 2001.

Thinking about Parliament Square and people's right to protest there, which of the following best reflects your view?

There should not be any restrictions on freedom of protest outside Parliament, and people should be free to set up camp there and protest as they wish	20%	22%	19%	32%	26%	24%	20%	8%	18%	24%
While the freedom to protest outside Parliament is important, there also need to be limits preventing long term encampments taking over the square and becoming a nuisance	72%	71%	74%	56%	64%	68%	75%	88%	75%	67%
