As you may be aware, the supermodel Naomi Campbell has been testifying in the war crimes trial of Charles Taylor, the former leader of Liberia.

Miss Campbell claims that after a party attended by Mr Taylor she was given some uncut diamonds in the middle of night, but did not know who they were from or that they were diamonds. The actress Mia Farrow, and Miss Campbell's former agent Carole White gave conflicting evidence. Ms Farrow claimed that Naomi Campbell had known they were diamonds from Mr Taylor, and Ms White claimed that Charles Taylor had offered the diamonds to Miss Campbell after flirting with her over dinner.

From what you have read or heard, whose evidence do you believe?
