Currently people serving long jail sentences for serious crimes are allowed day trips out of prison as they approach the end of their sentences in order to prepare them for release and help them adapt to life outside prison. Some people criticise this as insensitive to their victims and dangerous to the public. Do you think people serving prison sentences for serious crimes should or should not be allowed out on day release?

Should	30	37	23	32	30	33	25	36	22	42	30	30	23	31
Should not	60	56	64	58	59	56	68	53	69	53	60	60	64	61
