Fieldwork: 28th - 31st August 2020

Total	Child's Gender	
	Male	Female

For this question, please select one answer only.

When we say 'home-schooled', we mean that you are taught by a parent, relative, tutor at home.

Thinking about how you have been doing your schoolwork since late March 2020 (i.e. since the closing of UK schools due to the Coronavirus pandemic)...

Which of these BEST applies to you?

Since the closing of UK schools in March 2020...

	Unweighted base	457	221	236
Base: All GB Children 8 -15		457	234	223
I was at home, but normally I would go to school		85%	83%	87%
I was home-schooled before school closures and continued to stay at home		7%	7%	7%
I attended school like normal		7%	8%	5%
I don't know		1%	1%	1%

For this question, please select one answer only...

You said that since schools closed, you have been at home but would normally go to school.

Thinking about this, would you say you have been more or less happy than you would normally be while staying home from school or is there no difference?

	Unweighted base	391	184	207
Base: All GB Children 8 -15 who were at home but normally attended school before coronavirus		388	195	193
A lot happier staying home than being at school		21%	23%	20%
A little happier staying home than being at school		29%	28%	30%
It has made no difference		16%	16%	15%
A little less happy staying home than being at school		23%	25%	21%
A lot less happy staying home than being at school		9%	6%	12%
I don't know		2%	1%	3%

For this question, please select one answer only...

How worried are you about catching coronavirus at school when it starts again?

	Unweighted base	423	204	219
Base: All GB Children 8 -15 who were at home but normally attended school and/ or attended school like normal		420	215	205
Very worried about this		13%	10%	16%
A little bit worried about this		43%	41%	44%
Not very worried about this		25%	26%	24%
Not worried about this at all		16%	19%	13%
I don't know		4%	4%	4%
