YouGov Survey Results

Fieldwork: 24th February - 4th March 2020

| | USA | | | | |
|--------|------|------|-------|--|--|
| | ALL | Men | Women | Men with children younger than 18 in household | Women with children younger than 18 in household |
| Sample | 2374 | 1083 | 1291 | 309 | 410 |

Generally speaking, do you think it is possible for each of the following types of people to be able to dedicate enough time to their work to rise to the top of their profession while also being able to spend enough time with their children to be a good parent?

Me personally

[Asked only to those with children in their household]
