Have you been employed in the past, either full or part time?

Under the Equality Act (2010), employers in the UK have a duty to make reasonable adjustments for someone with a disability. These adjustments allow that person to do their job as well as someone without a disability. In your current job role, have you requested reasonable adjustments for your disability or long term condition?

YouGov / BBC - Disability and COVID-19 - 2020

Sample: 1,008 adults with a disability in the UK of working age
Fieldwork Dates: 13th - 20th October 2020

Have you been employed in the past, either full or part time?
If you had a problem in the workplace and you believed it involved disability discrimination, how confident, if at all, are you that the current legislation would protect you?

Base: All working or who have worked in the last 6 months
