Not sure	6%

3. After [number of weeks] of pregnancy, do you think that for a person in the following circumstances, abortion... ?

Among people who say abortion should be allowed up until a certain time in a pregnancy, and restricted after that. The number of weeks that respondents were asked about was determined based on their response to the question "At what time in a pregnancy — which lasts an average of 40 weeks — do you think there should be restrictions on who is allowed to receive an abortion?"

	Should be allowed	Should not be allowed	Not sure
They are pregnant as a result of rape	76%	14%	10%
They are pregnant as a result of incest	71%	16%	14%
Their own life is endangered by the pregnancy	85%	8%	7%
Their own health is endangered by the pregnancy	82%	8%	10%
Their fetus is diagnosed with a fatal condition	77%	8%	14%
Their fetus is diagnosed with a serious disability	61%	14%	25%

4. Throughout a pregnancy, do you think that for a person in the following circumstances, abortion... ?

Among people who say abortion should be restricted at all times during a pregnancy or are not sure at what specific time it should be restricted

	Should be allowed	Should not be allowed	Not sure
They are pregnant as a result of rape	40%	35%	25%
They are pregnant as a result of incest	43%	29%	28%
Their own life is endangered by the pregnancy	63%	14%	24%
Their own health is endangered by the pregnancy	57%	22%	21%
Their fetus is diagnosed with a fatal condition	48%	31%	22%
Their fetus is diagnosed with a serious disability	32%	41%	27%

YouGov Survey: Abortion

Interviewing Dates	February 26 - March 3, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.06 to 6.52, with a mean of one and a standard deviation of 0.739.
Number of respondents	1000
Margin of error	± 3.9% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	71 questions not reported.

3C. Abortion Circumstances After Time Restriction — Their own life is endangered by the pregnancy

After [number of weeks] of pregnancy, do you think that for a person in the following circumstances, abortion... ?

Among people who say abortion should be allowed up until a certain time in a pregnancy, and restricted after that. The number of weeks that respondents were asked about was determined based on their response to the question "At what time in a pregnancy — which lasts an average of 40 weeks — do you think there should be restrictions on who is allowed to receive an abortion?"

YouGov Survey: Abortion

February 26 - March 3, 2024 - 1000 U.S. adult citizens

Interviewing Dates	February 26 - March 3, 2024
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
Weighting	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to November 1, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 31% Republican). The weights range from 0.06 to 6.52, with a mean of one and a standard deviation of 0.739.
Number of respondents	1000
Margin of error	± 3.9% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	71 questions not reported.
