41. General Election | 2016 Presidential Vote (Reallocated 3rd Party Vote)

If the 2016 presidential election were being held today and the candidates were Hillary Clinton, the Democrat, and Donald Trump, the Republican, who would you vote for?

Registered voters who said they would vote for Gary Johnson or 'someone else' as their first choice were asked a follow up question: "If you couldn't vote for your first choice and had to choose either Hillary Clinton or Donald Trump, who would you vote for?" The answers to that follow up question were combined with the answers of those who selected Hillary Clinton, Donald Trump, "not sure", and "probably won't vote"
