**52. Unborn Child in HOV Lane**

A pregnant woman in Texas was pulled over when driving in a carpool lane that is meant for cars with at least two passengers. The pregnant woman argued that due to the Roe v. Wade decision being overturned, her unborn child is a person under Texas law, and should be counted as a passenger for the purposes of driving. In your opinion, should the pregnant woman be permitted to drive in the carpool lane?

**53. Unborn Child Unlawfully Detained**

The lawyer of a pregnant woman in a Florida jail has filed a petition seeking her release on behalf of her unborn child, arguing that the unborn child has been denied due process and is being unlawfully detained. The filing argues that due to the Roe v. Wade decision being overturned, the fetus “is a person under the Florida constitution and the United States constitution.” In your opinion, should the pregnant woman be released from jail?
