Fieldwork YouGov

Interviewing Dates November 19 - 22, 2022

**Target population** U.S. Citizens, age 18 and over

Sampling method Respondents were selected from YouGov's opt-in panel to be repre-

sentative of adult U.S. citizens.

Weighting The sample was weighted according to gender, age, race, education,

2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to June 1, 2022, and is weighted to the estimated distribution at that time (34% Democratic, 31% Republican). The weights range from 0.063 to 6.523, with a mean of one and a standard deviation of 0.778.
