

### 1. Rights of Children of Egg or Sperm Donors

Should people who were conceived with the use of sperm or egg donors have a legal right to receive information on their donors' identities after turning 18?

		Ge	ender		Age (4 c	ategory)		Race (4 category)				
	Total	Male	Female	18-29	30-44	45-64	65+	White	Black	Hispanic	Other

### 2. Change in Willingness to Donate Egg or Sperm

Do you think requiring information on donors' identities to be disclosed if requested would decrease the number of people who are willing to be donors?

		Gender Age (4 category)						Race (4 category)

**Interviewing Dates** June 10 - 14, 2022

**Target population** U.S. Citizens, aged 18 and over.

Sampling method Respondents were selected from YouGov's opt-in Internet panel using

> sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2018 American Community Study. Voter registration was imputed from the November 2018 Current Population Survey Regis-

tration and Voting Supplement.

The sample was weighted based on gender, age, race, education, Weighting

> news interest, and 2020 Presidential vote (or non-vote). The weights range from 0.243 to 6.523, with a mean of one and a standard devia-

tion of 0.569.

**Number of respondents** 1000

 $\pm$  3.6% (adjusted for weighting) Margin of error

Survey mode Web-based interviews

**Questions not reported** 81 questions not reported.
