14. Coronavirus caution decisions

Some state governments have told residents to stay at home unless they have an essential reason for going out (for instance, going to a job considered essential, getting food or supplies, or exercising outside). Do you think orders like these are currently:

	Registered voters		Gender		Age (4 category)				Race (4 category)

HuffPost: Coronavirus

May 22 - 24, 2020 - 1000 US adult citizens

Interviewing Dates	May 22 - 24, 2020
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2016 American Community Study. Voter registration was imputed from the November 2016 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted based on gender, age, race, education, news interest, and 2016 Presidential vote. The weights range from 0.03 to 5.496, with a mean of one and a standard deviation of 0.704.
Number of respondents	1000
Margin of error	± 3.8% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	50 questions not reported.
