3. Fault

Freddie Gray died from a broken neck after being arrested and locked in a police van. Six police officers were charged in his death. From what you know now, do you think the police officers are at fault and should be punished for their actions, that both the police officers and Freddie Gray made mistakes and it was just a tragic accident, or do you think the police officers didn't do anything wrong?

4. Punishment

One of the officers charged in Freddie Gray's death is about to go on trial. Do you think the officer will most likely be punished too harshly, too leniently, or will his punishment be about right?

Interviewing Dates	December 1 - 3, 2015
Target population	U.S. adults, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by age, gender, race, education, and region) was selected from the 2010 American Community Study. Voter registration was imputed from the November 2010 Current Population Survey Registration and Voting Supplement. Religion, minor party identification, and non-placement on an ideology scale, were imputed from the 2008 Pew Religion in American Life Survey.
Weighting	The sample was weighted using propensity scores based on age, gender, race, education, voter registration, and non-placement on an ideology scale. The weights range from 0.112 to 4.175, with a mean of one and a standard deviation of 0.882.
Number of respondents	1000
Margin of error	± 4.1% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	20 questions not reported.
