7. Trying harder

Do you agree or disagree with this statement? "It's really a matter of some people not trying hard enough; if blacks would only try harder they could be just as well off as whites."

HuffPost: Government Programs

August 28 - 29, 2019 - 1000 US adult citizens

Interviewing Dates	August 28 - 29, 2019
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2016 American Community Study. Voter registration was imputed from the November 2016 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted based on gender, age, race, education, and 2016 Presidential vote. The weights range from 0.336 to 2.231, with a mean of one and a standard deviation of 0.362.
Number of respondents	1000
Margin of error	± 3.3% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	51 questions not reported.
