 October 18 - 20, 2019 - 1000 US adult citizens

1. Support for Medicare-for-all

Would you support or oppose a national health plan, sometimes called Medicare-for-all, in which all Americans would get their insurance from a single government plan?

	Total	Registered voters		Gender		Age (4 category)				Race (4 category)			
		Yes		Male	Female	18-29	30-44	45-64	65+	White	Black	Hispanic	Other

2. Total Health Care Cost

Under a Medicare-for-all plan, do you think you would pay more or less for health care than you do right now?

	Registered voters		Gender		Age (4 category)				Race (4 category)			
	Total	Yes	Male	Female	18-29	30-44	45-64	65+	White	Black	Hispanic	Other
Would pay more	33%	38%	35%	31%	19%	27%	37%	48%	36%	21%	28%	28%

HuffPost: Medicare for all

October 18 - 20, 2019 - 1000 US adult citizens

Interviewing Dates	October 18 - 20, 2019
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2016 American Community Study. Voter registration was imputed from the November 2016 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted based on gender, age, race, education, and 2016 Presidential vote. The weights range from 0.486 to 2.438, with a mean of one and a standard deviation of 0.27.
Number of respondents	1000
Margin of error	± 3.2% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	57 questions not reported.
