**10. Support for UMWA in Alabama**

Coal miners in Alabama have been on strike from the coal mining company, Warrior Met Coal, since April 2021. The coal miners want higher salaries and expanded health benefits while the company says it offers competitive salaries and benefits. Are your sympathies more with the coal miners who are striking or the coal-mining company?

**11. Starbucks Strikes**

Workers at Starbucks stores across the country have made efforts to unionize their stores, with employees at some stores going on strike over Starbucks' opposition to collective bargaining. Starbucks has said the company and its employees can accomplish more by working together than through bargaining. Are your sympathies more with the Starbucks employees who are striking or the Starbucks Corporation?

## 12. Amazon Strikes

Workers at Amazon warehouses across the country have attempted to unionize their warehouses, with employees at some warehouses going on strike over their salaries and working conditions. Amazon's CEO has told employees they can work things out with the company much more quickly without a union. Are your sympathies more with Amazon employees who are striking or the Amazon company?

## Daily Survey: Labor and Unions

August 24 - 28, 2022 - 1000 US Adult Citizens

<b>Interviewing Dates</b>	August 24 - 28, 2022
<b>Target population</b>	U.S. Citizens, aged 18 and over.
<b>Sampling method</b>	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2018 American Community Study. Voter registration was imputed from the November 2018 Current Population Survey Registration and Voting Supplement.
<b>Weighting</b>	The sample was weighted based on gender, age, race, education, news interest, and 2020 Presidential vote (or non-vote). The weights range from 0.376 to 2.708, with a mean of one and a standard deviation of 0.286.
<b>Number of respondents</b>	1000
<b>Margin of error</b>	± 3.2% (adjusted for weighting)
<b>Survey mode</b>	Web-based interviews
<b>Questions not reported</b>	47 questions not reported.
