

1. Value of Staying Alive One More Year

Suppose your doctor told informed you that you had an incurable disease and that you had less than six months to live; how much would you pay to extend your life for one year?

For argument's sake, assume that during that year of life you would feel relatively healthy.

	Total	Gender		Age				Party ID - 3 Point		
		Male	Female	18-29	30-44	45-64	65+	Democrat	Independent	Republican
mean	22,346,095	29,865,396	15,274,292	56,940,357	18,098,113	8,354,118	18,640,901	22,318,937	27,579,699	13,684,432
