Daily Survey: Questions on Current Events
April 25 - 28, 2022 - 1000 US Adult Citizens

Interviewing Dates   April 25 - 28, 2022

Target population   U.S. Citizens, aged 18 and over.

Sampling method   Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2018 American Community Study. Voter registration was imputed from the November 2018 Current Population Survey Registration and Voting Supplement.

Weighting   The sample was weighted based on gender, age, race, education, news interest, and 2020 Presidential vote (or non-vote). The weights range from 0.435 to 4.088, with a mean of one and a standard deviation of 0.358.

Number of respondents   1000

Margin of error   ± 3.3% (adjusted for weighting)

Survey mode   Web-based interviews

Questions not reported   71 questions not reported.
