4B. Trump Tweets September 30, 2018 — So if African-American unemployment is now at the lowest number in history, median income the highest, and you then add all of the other things I have done, how do Democrats, who have done NOTHING for African-Americans but TALK, win the Black Vote? And it will only get better!

4C. Trump Tweets September 30, 2018 — Like many, I don't watch Saturday Night Live (even though I past hosted it) - no longer funny, no talent or charm. It is just a political ad for the Dems. Word is that Kanye West, who put on a MAGA hat after the show (despite being told 'no'), was great. He's leading the charge!
