Trump Tweets January 27, 2019 — Jens Stoltenberg, NATO Secretary General, just stated that because of me NATO has been able to raise far more money than ever before from its members after many years of decline. It's called burden sharing. Also, more united. Dems & Fake News like to portray the opposite!

There are at least 25,772,342 illegal aliens, not the 11,000,000 that have been reported for years, in our Country. So ridiculous! DHS
