5O. Trump Tweets April 23, 2019 — I wonder if the New York Times will apologize to me a second time, as they did after the 2016 Election. But this one will have to be a far bigger & better apology. On this one they will have to get down on their knees & beg for forgiveness-they are truly the Enemy of the People!

5P. Trump Tweets April 23, 2019 — Paul Krugman, of the Fake News New York Times, has lost all credibility, as has the Times itself, with his false and highly inaccurate writings on me. He is obsessed with hatred, just as others are obsessed with how stupid he is. He said Market would crash, Only Record Highs!
