5A. Trump Tweets April 29, 2019 — The New York Times has apologized for the terrible Anti-Semitic Cartoon, but they haven't apologized to me for this or all of the Fake and Corrupt news they print on a daily basis. They have reached the lowest level of 'journalism,' and certainly a low point in @nytimes history!

5B. Trump Tweets April 29, 2019 — Bob Mueller was a great HERO to the Radical Left Democrats. Now that the Mueller Report is finished, with a finding of NO COLLUSION & NO OBSTRUCTION (based on a review of Report by our highly respected A.G.), the Dems are going around saying, 'Bob who, sorry, don't know the man.'

5F. Trump Tweets April 29, 2019 — I'll never get the support of Dues Crazy union leadership, those people who rip-off their membership with ridiculously high dues, medical and other expenses while being paid a fortune. But the members love Trump. They look at our record economy, tax & reg cuts, military etc. WIN!

5G. Trump Tweets April 29, 2019 — ....People are fleeing New York State because of high taxes and yes, even oppression of sorts. They didn't even put up a fight against SALT - could have won. So much litigation. The NRA should leave and fight from the outside of this very difficult to deal with (unfair) State!

5H. Trump Tweets April 29, 2019 — The NRA is under siege by Cuomo and the New York State A.G., who are illegally using the State's legal apparatus to take down and destroy this very important organization, & others. It must get its act together quickly, stop the internal fighting, & get back to GREATNESS - FAST!

5l. Trump Tweets April 29, 2019 — I spoke at length yesterday to Rabbi Yisroel Goldstein, Chabad of Poway, where I extended my warmest condolences to him and all affected by the shooting in California. What a great guy. He had a least one finger blown off, and all he wanted to do is help others. Very special!

Daily Survey: Trump Tweets
April 29 - 30, 2019 - 1000 US adult citizens

YouGov

Interviewing Dates	April 29 - 30, 2019
Target population	U.S. citizens, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2016 American Community Study. Voter registration was imputed from the November 2016 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted based on gender, age, race, education, and 2016 Presidential vote. The weights range from 0.351 to 2.285, with a mean of one and a standard deviation of 0.3.
Number of respondents	1000
Margin of error	$\pm$ 3.2% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	47 questions not reported.
