5F. Trump Tweets May 13, 2019 — ..There will be nobody left in China to do business with. Very bad for China, very good for USA! But China has taken so advantage of the U.S. for so many years, that they are way ahead (Our Presidents did not do the job). Therefore, China should not retaliate-will only get worse!

5G. Trump Tweets May 13, 2019 — ...completely avoided if you buy from a non-Tariffed Country, or you buy the product inside the USA (the best idea). That's Zero Tariffs. Many Tariffed companies will be leaving China for Vietnam and other such countries in Asia. That's why China wants to make a deal so badly!...

5H. Trump Tweets May 13, 2019 — There is no reason for the U.S. Consumer to pay the Tariffs, which take effect on China today. This has been proven recently when only 4 points were paid by the U.S., 21 points by China because China subsidizes product to such a large degree. Also, the Tariffs can be.....

5O. Trump Tweets May 13, 2019 — I say openly to President Xi & all of my many friends in China that China will be hurt very badly if you don't make a deal because companies will be forced to leave China for other countries. Too expensive to buy in China. You had a great deal, almost completed, & you backed out!

5X. Trump Tweets May 13, 2019 — When the Mueller Report came out showing NO Collusion with Russia (of course), it was supposed to be over, back to work for the people. But the Dems have gone 'nuts,' and it has actually gotten worse! Hope the Republicans win back the House in 2020, or little will get done!
