5F. Trump Tweets June 3, 2019 — Just arrived in the United Kingdom. The only problem is that @CNN is the primary source of news available from the U.S. After watching it for a short while, I turned it off. All negative & so much Fake News, very bad for U.S. Big ratings drop. Why doesn't owner @ATT do something?

5G. Trump Tweets June 3, 2019 — China is subsidizing its product in order that it can continue to be sold in the USA. Many firms are leaving China for other countries, including the United States, in order to avoid paying the Tariffs. No visible increase in costs or inflation, but U.S. is taking Billions!
