5A. Trump Tweets July 7, 2019 — We are building the Wall now, but the reason the badly needed Wall wasn't approved in the Republican controlled House and Senate was that we had a very slim majority in the Senate, & needed 9 Democrat votes. They were totally unwilling to give Wall votes to us, want Open Borders!

5F. Trump Tweets July 7, 2019 — Last year was the first in 51 years where prescription drug prices actually went down, but things have been, and are being, put in place that will drive them down substantially. If Dems would work with us in a bipartisan fashion, we would get big results very fast!

5G. Trump Tweets July 7, 2019 — Sleepy Joe Biden just admitted he worked with segregationists and separately, has already been very plain about the fact that he will be substantially raising everyone's taxes if he becomes president. Ridiculously, all Democrats want to substantially raise taxes!
