5N. Trump Tweets September 6, 2019 — I agree with @jimcramer, the Fed should lower rates. They were WAY too early to raise, and Way too late to cut - and big dose quantitative tightening didn't exactly help either. Where did I find this guy Jerome? Oh well, you can't win them all!

50. Trump Tweets September 6, 2019 — DACA will be going before the Supreme Court. It is a document that even President Obama didn't feel he had the legal right to sign - he signed it anyway! Rest assured that if the SC does what all say it must, based on the law, a bipartisan deal will be made to the benefit of all!

5P. Trump Tweets September 6, 2019 — ...President Obama never had the legal right to sign DACA, and he indicated so at the time of signing. But In any event, how can he have the right to sign and I don't have the right to 'unsigned.' Totally illegal document which would actually give the President new powers.
